## President Pat McIlwee

patmcilwee@cox.net

It is hard to believe that I am halfway through my term as President of District 7. Time really does fly when you are having fun. I am hopeful that you are all enjoying the Chatter on a more regular basis. This will be the last edition of the chatter until the Fall.

It has been a great year and we haven't even started boating season yet! I am really looking forward to a fun filled year on Lake Erie. I am docking in my usual spot as I have been for the last 14 years. If you are cruising through Huron, OH please stop by the Huron Boat Basin and say hello!

I wanted to thank everyone that marched in the St. Patrick's Day Parade in Cleveland this year. A very special Thank you to District 25 President Greg Lowe and his Lady Arlene as well as P/C Russell Skitch for making the trek down that cold blustery day!

We had a great time at the Blue Blazer social this year. A very special thanks goes to Neil and Sue Van Uum for letting District 7 use their facility.

The Nautica Queen Sunday Brunch will be a big hit and I would like to thank IOBG Auxillary President Marianne Dempster and her crew for making this such a nice event. We have close to 100 participating and it will be awesome!

We have our next meeting May 9 at Atwood Lake Yacht Club and I am really looking forward to meeting that Chapter.

IOBG District 7 will be participating in the GCBA Memorial at the USS Cod in downtown Cleveland on May 27 and I am looking forward to speaking at the event.

Then we turn our attention to summer. We have one of the best parties at the GCBA Rendezvous at The Huron Boat Basin on June 22. Any golfers out there? Get in touch with me to play in our 6th annual scramble the same day.

August 10, District 7 along with District 9 and 25 will be holding a Commodores Reception for our very own I-LYA Commodore Kris Miller.

In closing I would like to thank all members for their commitment to our organization. Your continued membership is what makes District 7 the standard for districts all around the country and globally!

## President Elect Gene McKeown

On Sunday March, 17, with a strong wind out of the north and a temperature of only 28 degrees District 7 marched in the great Cleveland St Patrick's Day Parade. Believe it or not, Cleveland's parade is always in the top three, size wise, of all the St Patrick's Day Parades held in the US.

The Parade started at E 18<sup>th</sup> Street and went down Superior towards Public Square. It turned at East Roadway and then again at Rockwell. It ended at the old Cleveland Board of Education building. The parade started promptly at 2:04pm, but due to its size D7 did not take off until 3:00. We arrived at the end at 3:40. To give you some idea of it's size D7 was staged as the last entry in group II with group III behind us and it was just as big as the first two groups.

## President Elect Gene McKeown (continued)

Included in the D7 entry was our President Pat McIlwee, Mark, Robin, and Rachel Vadaj, Warren and Marianne Dempster, Kris Miller ILYA Commodore, and I. Joining us from District 25 was President Greg Lowe and Arlene, and Russ Skitch. These good people got up early and drove down for the day. In spite of the wind and 28 degrees, they had such a good time, they promised to come back next year with a really big contingent.

The entire experience was fantastic and in spite of the cold I know the whole group would do it over again. As we passed the review stand IOBG District 7 was singled out as a first year entry, and in front of the Cleveland Public Library three uniformed Cleveland Police Officers came to attention and saluted our flag. When we started the turn off Superior, a small group from Forest City Yacht Club spotted our IOBG Banner and let out a loud cheer.

President McIlwee worked hard to get D7 into the Parade and had to attend a couple of late night meetings at the Flat Iron Café in the flats. The Flat Iron is the Parade Headquarters. We plan on doing it again next year and I hope to see a bigger group from D7.

## First Vice President Warren Dempster

The officers of District 7 are working very hard to keep our district the largest in membership and also one of the most active in the IOBG. We still have a lot of work to do, but we are all committed to that goal and with your help we will achieve that. We recently had our annual Blue Blazer at Bratenhal Place. This event is held as a way to introduce the IOBG to Vice Commodores, Commodores and Past Commodores. We had a great turnout and we hope to welcome a few new Past Commodores into District 7 soon. A big Thank You goes out to P/C Neil and Sue VanUum for allowing us the use of the penthouse suite for this event. Also a Thank you goes out to our Auxiliary of District 7 for all their help at this event.

Our next event will be the Nautica brunch cruise on April 28<sup>th</sup> which is sponsored by the IOBGA of District 7. This is our second year for this event and everyone who attended last year had a great time. Hope to see you there. Also rapidly approaching is the Memorial Day Ceremony aboard the USS Cod which is hosted by the Greater Cleveland Boating Association. District 7 participates in this event and all yacht clubs are encouraged to attend. Next, District 7 will be hosting cocktail parties at both the GCBA Rendezvous in Huron in June and the I-LYA power Regatta at Put-In-Bay in August. All members are welcome to attend either one of these events.

Remember to check out our website for updates and photos of our events. We would like to thank Commodore John Wierzchowski for maintaining the website for District 7. If at any time I or any other officer can be of any assistance, please do not hesitate to contact us. I look forward to meeting many of our members at our events this summer and please have a safe and enjoyable summer.

## Northwest VP Debbie Light

Wow, April is almost over, the weather is starting to get warmer. Boating season has begun; it can't get any better than that! I hope everyone is having any easy time launching your boats for the season.

I had the pleasure of attending the ILYA spring meeting and Commodore's ball honoring Commodore Kris Miller and Lady Rini. The meetings were full of great information and planning for the year 2013. The Commodore's ball was filled with great food, friends and fun.

The clubs within my region, please remember to send me your 2013 "Schedule of Events" so we can get them posted on the district's website. This will enable everyone the opportunity to attend your functions. I also encourage you to attend our District 7 events and meetings which you can find on our website. I would like to remind you that this year is the 100<sup>th</sup> year anniversary of the Vermillion Boat Club. There will be a special event July 19-20<sup>th</sup>. Look for more details as I receive them.

As always, please keep up the Chatter, there are many opportunities to get to know other IOBG members and create new memories. As a closing reminder to pay your dues to keep District 7 on target.

## Ohio River / Southern Ohio VP Nick Romano

My name is Nick Romano I was Commodore of East Light Yacht Club in 2001.

I served as "Cleveland East" Vice President of IOBG District "7" from 2002 until 2006. I then stepped down to run the chairs of the "Greater Cleveland Boating Association" and served as Commander in 2009.

I am now back as VP for 'Southern Ohio/Ohio River'. We do not have the membership in this area that we should. I am actively trying to contact Yacht Clubs in this area who were previously members of District 7 and have lost contact with us. The greater our numbers the stronger our voice is heard at the International level.

During the past year, Gene McKeown and I have developed a relationship with some of the members of District's "9" and "25". We attended some of their functions and they in turn attended ours. They are experiencing the same problem, getting new members and keeping them active.

When I was invited to attend my first IOBG meeting I felt very privileged. I have now attended two International meetings and made friends worldwide. If I was not a member of the Blue Gavel this would never have happened.

If you have never been to an International IOBG meeting you will have an opportunity in 2015 when Joel Kay from our "District 7" will be International President!

I encourage all IOBG members to attend our meetings and functions.

Greet old friends and make new acquaintances. Our next "get together" will be the cocktail party at the Huron Boat Basin on June 22nd.

I hope to see you all there!!!

## A Flag Bears Witness - Don't Give Up The Ship

By Paulette Dininny

This article originally appeared in [Pennsylvania Heritage](#) Magazine

Volume XXXVIII, Number 4 - Fall 2012

The iconic flag carried by Commodore Oliver Hazard Perry during his stirring victory at the Battle of Lake Erie on September 10, 1813, was photographed after the treatment made by Amelia Fowler in 1912 was removed. NEW YORK STATE OFFICE OF PARKS, RECREATION AND HISTORIC PRESERVATION

A mere five words stitched on a flag in 1813 in a tiny frontier village produced one of the most enduring symbols in United States history. Two hundred years later those few words - Don't Give Up The Ship - have become a stirring, unofficial motto of the U.S. Navy; a rallying cry; and a flag flown from masts of sailboats, yachts, tall ships, and more. The details of the War of 1812, the Battle of Lake Erie, and Oliver Hazard Perry's battle flag may be vague to many, but the impact of those words echoes through United States naval history and reverberate in men and women who continue to be inspired by the phrase.

Two hundred years ago, on June 18, 1812, President James Madison signed An Act Declaring War between the United Kingdom of Great Britain and Ireland and the Dependencies Thereof and the United States of America and Their Territories, which began the War of 1812. The causes of the war, also known as America's Second War of Independence and Mr. Madison's War, included impressment of American sailors into service on British ships and blockading United States ports to hinder foreign trade and commerce. In addition, the British supported Native American raids on American settlers to prevent westward expansion.

Against this backdrop the United States declared war on Great Britain, and on September 10, 1813, Lake Erie was the site of a stunning defeat of the Royal Navy by Commodore Oliver Hazard Perry (1785–1819). The victory cut off British and Indians from their supply bases in the west. The scene aboard Perry's flagship *Lawrence* off Put-In-Bay at the western end of Lake Erie is described by John Miller, author of *A Twentieth Century History of Erie County, Pennsylvania*, published in 1909 by the Lewis Publishing Company, Chicago. "Captain Perry having called the crew about him elevated the burgee, exclaiming, 'My brave lads, this flag contains the last words of Captain Lawrence! Shall I hoist it?' 'Ay, ay, ay, sir!' re-sounded from every voice on the ship, and the flag was swayed to the main-royal masthead. As the flag unfurled and became visible to other crews, hearty and enthusiastic cheers responded through the line."

The simple flag bore the words spoken by Captain James Lawrence (1781–1813), a friend and colleague of Perry's who was mortally wounded as he commanded the frigate USS *Chesapeake* in a single-ship action against the HMS *Shannon* in early June 1813. Lawrence is best known for his dying command, "Don't give up the ship." Perry named his flagship for him and invoked his last words on his personal battle flag. A short time later the flag was raised and the battle commenced. The *Lawrence* was heavily damaged, forcing Perry to transfer to a sister ship, the *Niagara*, which he fought to victory. Seaman Hosea Sargent cast the rolled-up personal pennant and the battle flag in his cutter. One of the most famous battle scenes is a painting of Perry standing with the large flag over his shoulder as he was rowed to *Niagara*. Today the US Brig *Niagara* and the Erie Maritime Museum are popular attractions along the Pennsylvania Trails of History® administered by the Pennsylvania Historical and Museum Commission (PHMC).

The Battle of Lake Erie ended, and the Don't Give Up The Ship flag was about to begin its epic journey through the following two centuries. It's a fascinating story of a valuable artifact that survives today due to the stewardship of guardians of U.S. history - military and civilian caretakers
