

IOBG District 7 Northcoast Chatter—September 2014

A publication of Past
Commodores

Volume 2, Issue 8
September 2014

President Gene McKeown

This year has flown by. It's hard to believe that we are closing in on District's 7 Change of Watch. I've really enjoyed serving as the District's President, and hope to speak to as many of you as possible before the end of my term. Thanks for your help, input and support through out the year. The District grew its membership through the efforts of our Area Vice Presidents and particularly, the "due diligence" of our Treasurer, Dave Zmek. We finished the year with 256 PCs, an all-time high for the District, this included 23 new members.

District 7's Change of Watch will be held at Forest City Yacht Club on October 11th at 1:00 PM. A meeting notification is included in this Chatter as well as the slate of offices for 2015. Please make your reservations by October 7th. Call or email 1st Vice President Rich McKee Jr at 216 509 2862 or bethelou2@aol.com. Lunch and refreshments will be served following the meeting.

Our own, Joel Kay, Edgewater Yacht Club, will be sworn in as President of the International Order of the Blue Gavel at their annual meeting, October 16th-19th. This meeting will be held at the Double Tree in Beachwood. Meeting details are posted on the International web site, www.iobg.org or District 7's web site www.iobgdistrict7.com. I hope you will be able to attend. This is a great honor for Joel as well as the District 7. Reservation can be made through Mary Romano. Reservations forms are also attached.

Throughout the year the District 7 Auxiliary has supported our events and I want to thank President Marianne Dempster and her ladies for their hard work. Finally, to all members of District 7, thank you for your continued membership.

President Elect Warren Dempster

I hope everyone has had a safe and enjoyable boating season. A big THANK YOU and CONGRATULATIONS goes out to each and every District 7 member, as once again we had the largest district membership in the IOBG. This also could not have been possible without the hard work the area Vice Presidents, President Gene McKeown and the entire board of District 7 working together.

The support and participation from our members at our events this year was fantastic. We still have our fundraiser at Inter-City Y.C. for IOBG President Elect Joel Kay and Nancy on Sept. 13th. The proceeds from this event will go towards the cost of the International meetings and ball and we thank I.Y.C. for hosting this event. Next we have our second annual wine tour

President Elect Warren Dempster(continued)

in Geneva on Sept. 19th-21st. Please see the enclosed flyers for both of these events. We hope to see many of our members attend. We start the new season off with the International meeting and installation of Joel Kay as the International President of the IOBG in October. Please plan on attending this event as District 7 will be hosting various events that weekend.

District 7's change of watch will be at Forest City Y.C. on October 11th, 2014 at 1:00. We have some very important issues to discuss at the International level and would like to have all our membership involved with decision making. Following the meeting, we will provide refreshments and food to all attendees. We have a full slate of officers for 2015 who already are planning our activities and meetings for next year. We are looking for a couple of clubs who would be willing to let us use their clubhouse for 2-3 meetings for next year. Please contact me if your club would be able to accommodate us.

We have many events planned for next year already. If any member has a suggestion for an event, please contact any board member. A complete calendar of events will be at our change of watch in October.

Finally, I would like to THANK the Auxiliary President Marianne Dempster and the entire board for all their help again this year. It is greatly appreciated. I would like to THANK the District 7 members for allowing me to serve as your President Elect this year. I am honored to serve as the District 7 President for 2015. I feel once again, that like this year, we have a very dedicated and committed board that is ready to serve our members for 2015.

First Vice President Rich McKee

I would like to thank all of the Vice Presidents for their help this year in representing their respective clubs. They also worked very hard selling raffle tickets for Joel Kay's fundraiser.

The summer has gone by too quickly but I hope everyone was able to enjoy the nice weather and spend time out on the lake.

Please send me your reservations to bethelou2@aol.com for Change of Watch at Forest City Yacht Club. I will be handling the reservations and would like to ask your response as soon as possible.

As we wind down this year, I would like to thank Gene and offer my support to Warren Dempster and look forward to working with him next year.

District Director Pat McIlwee

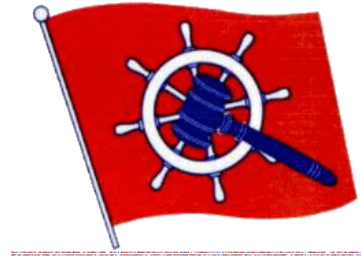

What a fantastic boating season we have had! There have been many fun events and good times had by all. The GCBA Rendezvous in Huron was spectacular. The cocktail party at Put-In Bay Yacht Club in conjunction with District 9 and 25 was outstanding! I even had the opportunity to marry a couple at my marina this past summer!!!

We have grown our membership despite the trend with many organizations that are on the decline. This is an incredible task and all members should be proud to a part of this great organization.

The change of watch is scheduled for October 11 at Forest City Yacht Club. It has been an honor and a privilege to work with President Gene McKeown and President Elect Warren Dempster. I have enjoyed their friendship and am very pleased with the direction the District 7 is headed.

The new slate of officers is in this edition of the chatter. Please support them in their endeavors and think about getting active in District 7. I have had a wonderful time in my capacity as District Director and look forward to working with the new bridge in 2015.

In closing please remember to mark your calendars for the International Change of Watch October. Our own Joel Kay will be sworn in as President. This is a very exciting and proud day for District 7. The Double Tree in Beachwood will be the headquarters for the festivities.

Northwest VP Debbie Light

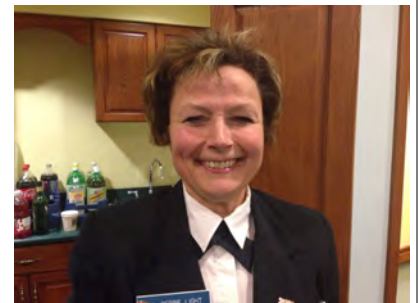

Wow I can't believe that it is approaching September, the boating season is winding down. Soon it will be time to store our boats for the winter. But, there is one more holiday weekend to enjoy! The weather sounds like it is going to cooperate! Everyone have fun and be safe!

As always, please keep up the Chatter, there are many opportunities to get to know other IOBG members and create new memories.

I hope we all created many lasting memories to help get through the winter months ahead of us. Please review our District 7 website for events during the colder months to bridge us to our spring launch.

The 2014 boating season is winding down!

As we get in our last days of boating for the year we hope you all had a safe and enjoyable boating season.

We did get to the I-LYA 2014 Power Boat Regatta in Put-in Bay and had a very great time! It was a real treat to be tied up at the all new A-Dock this year.

This will complete my fourth year of involvement on the District 7 bridge as Northeast Vice-President. Northeast - which includes Chapter Yacht Clubs in Mentor Lagoons and Grand River will also include Ashtabula River this year. With the efforts of P/C Lloyd Bogue, Vice Commander of G.C.B.A., we added Ashtabula Yacht Club to our list of Chapters. Our interest is to support you in establishing strong Blue Gavel Chapters within your organizations.

President IOBGA Auxiliary – Marianne Dempster

I hope everyone has been enjoying the summer, although we have had a lot of rain and some rough seas. Let's hope that we have a warmer winter than we had last year!

In May, the Auxiliary Bridge and members participated in the Memorial Day ceremony aboard the USS COD. The weather held out and the service was enjoyed by all. On June 21 we supported the IOBG at the GCBA Rendezvous in Huron. Thank you to all who brought an appetizer or dessert.

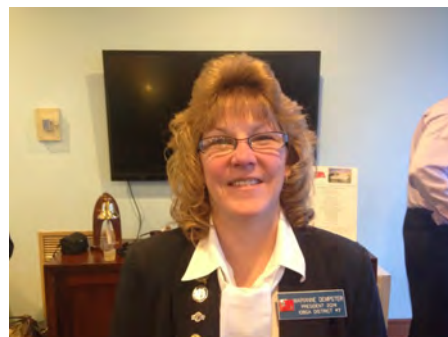

On August 9, several Auxiliary members attended the Blue Gavel cocktail party hosted by District 9 at Put-in-Bay Yacht Club during the I-LYA Regatta. Thank you to all who attended.

I would like to thank the Auxiliary for supporting me as President for the last 2 years. I have enjoyed representing District 7 and am thankful for all the friends that Warren and I have made along the way. I would especially like to thank my Bridge which includes Marilyn Gabriel, Mary Romano and Debbie Yearick and my advisers which include Robin Vadaj, Sue Van Um and Jerry Key. I couldn't have done my job without all of you. I am looking forward to becoming a Past President and supporting the 2015 Bridge.

The Bridge and I would like to congratulate IOBG President-Elect Joel Kay and Lady Nancy. We hope to see many of you at the Convention in October in Beachwood.

Here is the slate for the 2015 Auxiliary

A very few months ago, after a "winter of winters", and "spring-less spring", we peeled back the blue wrapping and our prize has been weekends of great weather! I pray that our good fortune continues through September. Enjoying this great weather, many of you have had the opportunity to explore and visit our many ports. With the international border we share with our Canadian neighbors, this travel can have complexities. Recently, Lakefront Yacht Club and Lakefront Marina sponsored an educational forum presented by Officer Jimmy Wray of U.S. Customs and Border Protection. This was attended by more than 30 of our members and was considered one of the best presentations in recent years.

Officer Jimmy Wray of CBP was informative, engaging, and detailed in the information he, and his team provided. In addition, they were very patient, informative, and cordial in questions pertaining to recent southern border events. They are available to speak to your clubs, and I would highly recommend reaching out to him.

Those planning to cross the border by boat, and with some frequency, the "Nexus" program seemed most efficient. Yes, this entails an application process, a \$50.00 fee, fingerprinting, and a visit to a processing center, BUT, there seemed to be many benefits after all the paperwork is done. You make a phone call at the kiosk and announce your arrival. Further discussion ensued of the "Enhanced Driver License" bill presently stalled in the Ohio House. It would provide many of the quick transit privileges of the Nexus, but is not yet a reality, and faces opposition from libertarians, and the Ohio ACLU.

I would strongly encourage all of your groups to contact Officer Wray as he has made his team quite accessible:

Here we are again, near the end of another Boating Season! I hope you all had an opportunity to enjoy the beautiful waters of Lake Erie, we certainly did. Our boating season may be near an end; but there are still many events on our IOBG calendar

for this year.

The Wine Tour at "The Lodge at Geneva-on-the-Lake" will be the weekend of September 19-21st. We are looking forward to tasting some excellent Ohio wines.

Our annual District "7" Fall Meeting is scheduled for October 12th. Please mark your calendar and plan to attend. There will be many important topics on the agenda once again. Come and "Thank" your 2014 Bridge Officers for an **outstanding year**; meet

the 2015 Bridge and find out what is on the calendar for the new year. We are now **256 members strong!** If you know someone in your Club who is eligible to be a member of IOBG encourage them to attend the meeting and find out what we are all about.

The International Convention will be right here in Cleveland October 16-19th, 2014.

Our own Joel Kay will be sworn in as President at the Dinner Reception on Saturday night. This is a great event, you will have an opportunity to meet fellow IOBG members from all over the United States and possibly some from other countries.

Many events have been planned for the weekend. Please check our website for all the information and plan to attend. Lets show our support and let the rest of the "Gavel" know we are true supporters of District 7 - not just card carrying members. See you there!

I want to personally "Thank" Gene McKeown and the members of his 2014 Bridge for a "Job Well Done"!!!
